

Caratteristiche: Forma rassicurante e concreta, elegante e confortevole, misure "generose". La collezione offre un'ampia gamma di divani, elementi, laterali, angoli che abbinati a piacere offrono innumerevoli combinazioni. Holden è disponibile nella versione "BASE" (senza cuscini-schienali) da completare con i cuscini-schienali scelti fra le diverse misure a disposizione, avendo quindi la possibilità di progettare il divano a piacimento, e nelle versioni "A" e "B": la versione "A" è fornita con schienali di forma classica tradizionale e la versione "B" con cuscini-schienali (cm. 58x58) più accattivanti ed informali in quantità predefinita. Alcuni elementi come i terminali e la dormeuse sono disponibili in due diverse misure di profondità, 103 e 118 cm. Un elemento distintivo importante è dato dalla possibilità di scegliere tra due diverse misure di bracciolo: largo cm. 26 alto cm. 51, oppure il bracciolo BIG largo cm. 39 alto cm. 49. Il rivestimento è completamente sfoderabile. Holden è inoltre attrezzabile con il tavolino Argo. **Struttura:** Fusto in legno massello e multistrato, imbottito in poliuretano espanso indeformabile a densità differenziata, molleggio con nastri elastici intrecciati. Prerivestimento con tela di cotone accoppiata con fibra poliestere. Il cuscino di seduta in piuma offre un comfort speciale oltre a donare un aspetto piacevolmente vissuto, proprio della piuma, che va accettato in quanto inevitabile. Su richiesta si forniscono i cuscini di seduta in poliuretano e fibra poliestere e, in questa versione, sono disponibili sia unici che divisi.

Holden can also be supplied in the version "A" and in the version "B", with two different types of backrest cushions: the classic shape type "A" and the attractive, informal type "B" (cm.58x58), in pre-determined quantity. Some elements such as end-pieces and the sleeper are available in two different depths, 103 and 118 cm. An important hallmark for this collection is the possibility to choose between two different sizes of armrest, one it's 26 cm thick 51 cm high, or the BIG armrest 39 cm thick 49 cm high. The covers are completely removable. Besides, Holden can be equipped with the small table Argo. **Structure:** Frame in solid wood and plywood, padded with differentiated density non-deformable foamed polyurethane, sprung with interwoven elastic bands. Under-covering in cotton canvas coupled with polyester fibre. Feet in black-stained beech. **Cushion padding:** Type "A" backrest cushions are made of washed and sterilised feather with polyurethane insert; type "B" and XL backrest cushions are made entirely of washed and sterilised feather. Seat cushions in down with polyurethane insert always in separate cushions. The seat cushions in goose down provide special comfort and acquire a pleasant well-worn look, which is a typical feature of down and must be accepted. On request, the seat cushions can be provided in polyurethane and polyester fibre, also available in this version as a joint cushion.

Dies erlaubt dem Kunden, seine eigenen Wünsche zu realisieren und sein eigenes Sofa zu kreieren. Dazu existieren zwei Varianten, "A" und "B": Variante "A" ist mit geraden Rückenissen in klassischer, traditioneller Form lieferbar; Variante "B" mit Wurfkissen (58x58 cm), etwas legerer und informeller, in vorgegebener Menge. Einige Elemente, wie die Endteile und die Dormeuse, sind in den zwei Tiefen 103 und 118 cm verfügbar. Ein wichtiges Unterscheidungsmerkmal ist durch die Möglichkeit gegeben, zwischen zwei verschiedenen Größen der Armlehne zu wählen: 26 cm breit, 51 cm hoch oder die Armlehne BIG 39 cm breit und 49 cm hoch. Der Bezug ist komplett abziehbar. Holden kann ebenfalls mit dem Beistelltisch Argo ergänzt werden. **Struktur:** Korpus aus massiver Buche und Mehrschichtholz, Unterfederung durch geflochtene Elastikgurte.
